Villa Alexandria, Saint Tropez

The Villa

Villa Alexandria is a new 6-bedroom property, a grand Mediterranean masterpiece seated in 8,000 square meters of stunning landscaped gardens. Located in an exclusive residential area of St Tropez, this expansive property has direct access to the sea and a breathtaking 20m heated infinity pool. Its rolling, emerald lawns are perfectly bordered with Mediterranean planting, palms, pines and bougainvillea. The perfect venue for sophisticated garden parties or large family gatherings. This traditional yet opulent terracotta villa is adorned with sumptuous fittings and finishes, gleaming marble, soft Italian stone and elegant parquet. The two-bathroom master suite, Bulthaup kitchen, bespoke furnishings and fine art complete this luxurious property. Its spacious terraces and large, airy rooms look out to panoramic views of Bay de Canebiers' azure waters, while its closed, rear courtyard offers a more intimate space. The property's vast plot, extensive pool, ample private parking and integrated guest apartment make it both very private and a rare find. Villa Alexandria is but a stone's throw from the beautiful Plage de Canebiers, a secluded stretch of powdery sand, hidden away from the well-known Pampelonne Beach. This wonderful bay offers the possibility of mooring your boat within view of the property. This magnificent villa is also fully serviced and secured.
